“ACHIEVING EXCELLENCE ONE DAY AT A TIME”

## Workforce Development Stars!

*“Southern Maryland students earn nationally recognized certificates in Customer Service”*

Our students began the school year eager to participate in our Workforce Development Program beginning with Customer Service. As part of our partnership with Prince George's Community College (PGCC), our instructor is a member of their adjunct faculty. Each week, students learned the important tenants of customer service in an interactive setting. The instructor was always open to the many questions our students had.

All seven students passed the class with six of the students earning scores of 90% or above on their final exam.

1

**MONTAE B.**

Achieved a perfect score of 100% on the customer service exam!!!

2

**DARIUS M.**

Earned the next highest score with a 97%. Only missing one question.

3

**DAKOTA W. /  
MARQUISE B.**

Rounded out the top scores, both earning a 93% on the exam!

## Ms. Barnes class dives into 'WEIRD SCIENCE'

Ms. Barnes biology students enjoyed getting their hands dirty while completing a lab. Students dissected a frog and pig to further answer questions from case studies done in the classroom. The students loved the hands on experience and enjoyed exploring the pig and frog while also identifying the body parts of each animal.

### Brewing Up Success!!!!

Parish J, a high school junior, recently earned a job working at the Starbucks inside of Safeway. She interviewed for the position and got a call back immediately. We are so proud her success!

### GONE WITH THE WIND:

### TRAYVON GOES BACK TO PUBLIC SCHOOL!!!!

One of High Road's own is transitioning onto Lackey High School! Trayvon worked his way up the level system and earned his way back to his home high school. Here are a couple of words from Trayvon himself:

"High Road has taught me so much. I want to thank Ms. Barnes and everyone there for helping me and teaching me what I needed in regular school."
