Summer Kits

All students will receive a grade-banded Summer Kit that includes:

- Student Resource Book in which all lessons and activities are completed
- Items to help create an at-home learning environment
- Engaging materials for independent learning and family engagement activities

Co-Curricular Activities

All students will have access to three types of co-curricular activities. All of these are built with a standards-based academic experience and multiple avenues for students to learn and have fun.

1

Synchronous Class Activities

Imagine having a live session with a zookeeper where students get to learn and ask questions

2

Asynchronous Virtual Activities

Imagine an adaptive tour of T. Rex: The Ultimate Predator at the American Museum of Natural History

3

Live Family Activities

Imagine a family pack of tickets to the New York Historical Society and a workbook that guides students through the What Women Can Do For America exhibition

Student and Family Support

Virtual Summer Journey ELY was designed with multiple weekly touchpoints to ensure families are supported during these times.

Counseling Session

Students have a weekly session with a counselor who facilitates a virtual workshop on a pre-approved topic such as Growth Mindset or Managing Anxiety

Parent Workshop

Parents will be invited to join optional live virtual webinars with a licensed Catapult Learning counselor where they can learn and ask questions about topics such as Raising Emotionally Intelligent Children or Addressing Grief and Trauma
