SPEECH AND LANGUAGE

Catapult Learning

Catapult's credentialed speech and language professionals evaluate and address speech, language, and hearing concerns.

WHO:
- K-12 Non-Public and Public Schools
- Identified students in need of service and students with ISP/IEP

POTENTIAL FUNDING:
- CARES/ESSER
- **IDEA**
- PA Act 89, OH Aux
- School Funding

HOW IT WORKS:
- Can be delivered virtually or in person
- Students receive individual or small group intervention outside of the classroom setting; frequency and duration are in accordance with the goals specified in the ISP/IEP.
- Therapists design lesson content to specifically address identified goals and objectives set forth in the ISP/IEP.
- Students with similar goals can receive service in small groups of 3 to 5.
- Therapists provide intervention in the areas of articulation, voice, fluency, and language.
- Speech and Language professionals communicate with teachers, other interventionists, and parents to review progress and goals.

HOW WE MEASURE PROGRESS AND OUTCOMES:

- **Ongoing progress assessment tools:**
  › Semi-annual teacher observations using Catapult's proprietary observation tool
  › ISP/IEP progress monitoring

- **Outcome measures:**
  › Student growth on assessment tools used by the school (e.g., MAP, iReady)
  › Key metrics – change in attendance, reduction in behavioral issues, transition monitoring

BENEFITS:
- Strengthens literacy skills, which lends to increased academic performance
- Helps students become more effective communicators, problem solvers, and decision makers
- Improves communication in the school setting and beyond
- Strengthens social skills
- Increases confidence and independence
- Reduces anxiety in the classroom
- Improves peer relationships
