Elementary Math and Science ESL Teacher
Houston Independent School District, TX

Peer Mentor and Math Coach
Houston Independent School District, TX

A TEACHER WHO INSPIRED ME

A teacher who inspired me was Mrs. Trotter, my fifth grade math teacher. Mrs. Trotter inspired me not only because of her expertise and mastery of knowledge, but because of her unwavering desire to push students to be the best they could possibly be. Mrs. Trotter was not only my teacher, but she had taught my mother, over 25 years before me.
