

Afton School District

Dear Parents,

This summer our district will offer - free of charge - a fun, exciting, and academic approach to learning called Summer Journey. Make no mistake about it, not only will our summer program be FUN for kids, it will also provide an opportunity for students to experience over 60 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge as well as prepare for the school year ahead. Summer Journey's extraordinary educational goals are comprised of academic courses with hands-on instruction centered in reading, language arts, and math. Other fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—Summer Journey will also offer courses for hands-on exploration and discovery. Summer Journey courses may include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses that may be offered include Simple Machines Camp, designed to introduce students to elements of engineering, live well, and Lifetime Sports, designed to develop the body and encourage a lifetime of fitness. These are only a sample of the courses that may be offered.

If you are the parent of a child who will be entering Kindergarten in fall 2024, I strongly encourage you to consider enrolling your child in Summer Journey. We have noticed that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that “first day of school” experience to be a positive one.

Who should apply for Summer Journey? Everyone. However, spots may be limited. Look at the information enclosed and apply by March 29. You'll be glad you did!

Sincerely,

Dr. Travis Bracht
Superintendent

Affton School District Summer Journey Course Offerings

All Academic Courses (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All Journey Courses are offered during afternoon sessions. Students participate in Journey courses for designated blocks of time, enabling each student to participate in every Journey course.

Summer Journey Location(s):

• Mesnier Primary (K-5) / 8:00 AM - 3:20 PM

• Rogers Middle (6-8) / 7:45 AM - 3:05 PM

Kindergarten (Students Entering K)

Let's Go Visiting

Students visit and explore fascinating places in a child's world during the weekly mini-units Let's Visit the Garden, Let's Visit the Zoo, Let's Visit the Farm, and Let's Visit the Aquarium. Building on students' prior knowledge, engaging, theme-related activities foster early learning concepts and skills, such as letter and sound recognition, phonemic awareness, sorting, and counting. Games, manipulatives, literature response, and writing activities inspire active learning while integrated science and social studies concepts support meaningful learning connections and nurture students' natural curiosity.

BrickLAB STEAMventures

BrickLAB STEAMventures offers immersive hands-on activities that ignite young minds. Through exciting adventures exploring flight, transportation and food, learners build essential skills like counting, coloring and working as part of a team. This program fosters curiosity and creativity while introducing the core principles of science, technology, engineering, art and mathematics. BrickLAB STEAMventures inspires young learners on their educational journey with engaging and collaborative STEAM experiences.

Primary (Students Entering 1st, 2nd, & 3rd Grade)

FREQUENTLY ASKED QUESTIONS

What is the Summer Journey program?

The Affton School District Summer Journey is an extended learning summer program operated by Affton School District and Catapult Learning to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The Affton Summer Journey operates daily June 3 - 28 with no school on June 19 in observance of the federal Juneteenth Holiday. The program will run daily from 8:00am – 3:20pm for grades K-5 and 7:45am – 3:05pm for grades 6-8*.

**Dates may change based on the number of days missed due to inclement weather. Changes will be announced.*

What will my child(ren) do each day?

In the morning, Elementary and Middle School Summer Journey students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include three morning classes of Reading, Language Arts, and Mathematics. After lunch, students will explore three fun-filled courses for the first half of the program, followed by three different courses in the last half of the program.

Must my child be in attendance every hour of the program to receive credit for the Summer Journey program?

No. We understand students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

How do I enroll my child for Summer Journey?

Simply fill out the enrollment form in the front of this folder and return it to your child's school or complete your enrollment online **no later than March 29**.

If I fill out the enrollment form, is my child(ren) guaranteed a spot in Summer Journey?

Affton School District cannot guarantee enrollment for all students. Priority enrollment will be given to students who have been recommended by their teacher/counselor for academic or social-emotional need. All remaining spots will be filled by random lottery selection.

Will my child earn a gift card for perfect attendance like in previous summers?

Yes. Students with perfect attendance will earn a \$100 gift card. Students who miss up to 1 day of school will earn a \$75 gift card. Students who miss between 1-2 days of school will earn a \$50 gift card. All gift cards will be delivered to families during the last two weeks of July.

Will transportation be provided to and from the program?

Limited bus transportation will be provided for students in the Summer Journey Program. Having a placement on a bus route during the traditional school year DOES NOT automatically place a student on a similar route for summer. Follow-up information about route availability will be sent to those families who request summer transportation as soon as the plan becomes available.

Will breakfast and lunch be served each day?

Yes, students will be served lunches using the same systems used during the regular school term. As a result, students should plan to purchase meals (or bring lunch) in the same way they do during the regular school year.

Catapult Learning

STUDENT INCENTIVES

Attendance

Student incentives are dependent on actual full-day attendance in the Summer Journey program.

\$100 Shopping Card

Perfect Attendance

\$75 Shopping Card

Up To One Day Missed

\$50 Shopping Card
