

## Marceline R-V Schools

Dear Parents & Guardians,

This summer, our school district will offer all students—free of charge—a fun, exciting, and academic approach to learning called **Summer Journey**. Make no mistake about it, not only will our summer program be FUN for kids, but it will also provide an opportunity for students to experience over 60 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge as well as prepare for the school year ahead. **Summer Journey's** academic roots are instruction centered in **reading, language arts, math, and social studies or science**. Other fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—**Summer Journey** will also offer courses for hands-on exploration and discovery. Lessons may include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses that may be offered include *Simple Machines Camp*, designed to introduce students to elements of engineering, live well, and *Lifetime Sports*, designed to develop the body and encourage a lifetime of fitness. These are only a sample of the courses that may be offered.

If you are the parent of a child who will be entering Kindergarten in fall 2024, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that “first day of school” experience to be a positive one.

Finally, **Summer Journey** offers an enticing incentive program for students. Students will be eligible to receive **daily** rewards if they come to school, exhibit a positive attitude and behavior, and work to improve their achievement. At the end of the program, some lucky students will also win **Grand Prizes**, which will be awarded on the final day. And, as in past years, all our students who demonstrate outstanding attendance will be rewarded with **Attendance Recognition** gift cards, ranging from \$50 for “near perfect” attendance to \$100 for “perfect attendance.”

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,

**Dr. Zach Bruner**  
Superintendent

# FREQUENTLY ASKED QUESTIONS

## **What is the Summer Journey program?**

The Marceline R-V Schools Summer Journey is an extended learning summer program operated by Marceline R-V Schools and Catapult Learning to provide a world-class educational experience to district students.

## **What does the program cost to parents?**

The programming is free to all students.

## **When will the program be held?**

The Marceline R-V Schools Summer Journey operates daily from 8:00 AM to 3:30 PM, five days per week, May 20, 2024 through June 21, 2024\*.

*\*Dates may change based on the number of days missed due to inclement weather. Changes will be announced.*

## **Must my child be in attendance every hour of the program to receive credit for the Summer Journey program?**

No. We understand students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

## **Will transportation be provided to and from the program?**

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

## **What will my child(ren) do each day?**

In the morning, Summer Journey students attend engaging academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies.

After lunch, students will explore a variety of fun-filled courses that rotate for those enrolled in the program.

## **How does the incentive program work?**

Many students will win daily incentives for their efforts through a daily drawing, or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their Summer Journey attendance:

- Perfect Attendance = \$100 gift card
- Up To One Day Missed = \$75 gift card
- Over One Day, Up To Two Days Missed = \$50 gift card

## **Will breakfast and lunch be served every day?**

Yes, the District has applied for a special state grant whereby ALL students would receive a free breakfast and lunch daily. In the event the grant is not approved, breakfast and lunch will be served using the same systems that are currently in place.

## **How do I enroll my child for Summer Journey?**

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school. Or visit the school's website for more information and to register virtually. If you need additional assistance, please ask your teacher.
