

## Maries School District

Dear Parents & Guardians,

This summer, our school district is excited to offer **Summer Journey**, a **free** summer learning program for all students. Summer Journey is designed to be **fun, engaging, and meaningful**, giving students a positive and enriching summer experience.

Students will participate in **over 60 hours of learning** throughout the summer. This time allows students to review important skills they've already learned and build confidence as they prepare for the upcoming school year. Academic classes focus on reading, language arts, math, and science or social studies. These classes are **hands-on, interactive, and theme-based**, so learning feels active and enjoyable—not like a traditional school day. There is **no homework, no tests, and no grades**.

Summer Journey also includes enrichment **courses**, which give students opportunities to explore, create, and discover through fun, hands-on experiences. These courses may include activities such as building and launching rockets, cooking, performing skits, or participating in fitness and sports-based learning. Journey courses are designed to spark curiosity, teamwork, and creativity while keeping students excited about coming to school each day.

If you are the parent of a child who will be entering Kindergarten in fall 2026, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one. Our Kindergarten curriculum includes a week-long "Welcome to School" segment that helps students learn about their classroom and school, practice typical classroom routines, and participate in fun activities that celebrate starting school off right.

Finally, **Summer Journey** offers an enticing incentive program for students. Students will be eligible to receive **daily** rewards if they come to school, exhibit a positive attitude and behavior, and work to improve their achievement. At the end of the program, some lucky students will also win **Grand Prizes**, which will be awarded on the final day. And, as in past years, all our students who demonstrate outstanding attendance will be rewarded with **Attendance Recognition** gift cards, ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance."

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,

**Teresa Messersmith**  
Superintendent

## **What will my child(ren) do each day?**

In the morning, Summer Journey students attend engaging academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries.
